

The All Wales Lymphoedema Compression Garment Formulary

The All Wales Lymphoedema Compression Garment Contract commenced on March 1st 2015. All current stock must be used prior to changing to the contract. However any new garments to be ordered must comply with the contract. If for clinical reasons, the contract is not to be followed please fill in an exception form (Appendix 1). Indications for use have been given as a guide only. The formulary has been split into lower limb garments, upper limb garments, made to measures and miscellaneous items. All product and prescription codes have been complied. If you have any queries regarding codes please contact the company. All company details are available at the back of the formulary. If you have any comments regarding this Formulary please contact the National Clinical Lead for Lymphoedema in Wales - Melanie Thomas on Melanie.J.Thomas@wales.nhs.uk It is intended for use in Wales only but if other areas wish to use it please contact Melanie for agreement.

All Wales Compression Garment Contract

Exceptions to Ordering Compression Garments

This form has to be completed if you are ordering, prescribing or recommending a compression garment or product that is against the recommended products from the National Lymphoedema Formulary. We understand that clinical implications might require a product that is not on the formulary; however it is imperative that we capture this information on every occasion. Many thanks for your support. Patient recognisable data to you as a therapist must be given to audit individual need.
